

[Material Protection \(MPP\)](#)

The provided information on our Bioche[®]/ Metaso[®]/ Prevento[®]/ Solbro[®]/ Tektame[®] products or on Velcori[®] does not imply that our products can be purchased, used, or applied in every country as there may be special legal requirements that have to be observed or special registrations that must be obtained before. Thus the given regulatory information does not claim to be exhaustive and does not release the user from the responsibility of consulting his authorities and to check whether there are any other legal requirements that are not mentioned on our website. As well the user must check the validity of the given information for possible changes in the intended field of application.

The application, use and processing of our products and the products manufactured by the customer on the basis of our advice are beyond our control and, therefore, entirely in the customer's own responsibility.

Citation of our compiled data for any purposes including product registrations is not permitted unless having obtained written permission by LANXESS Deutschland GmbH.
